Sir:

This Reply is made in response to the Office Action mailed on March 21, 2007. Applicant elects to prosecute Invention I in the above-referenced application, which the Examiner identified as corresponding to claims 1-12 and 17-19 and as being drawn to an injection molding system. This election is made without traverse.

Applicant believes that a full and complete reply has been made to the outstanding Office Action, and that no fees are due in connection with the submission of this Reply. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,

MEDLER FERRO PLLC
